

Snežana Golubović

thREaD of LOVE (for the Fields of Vision)

thREaD

on my head

on my skin

on my eyes

in my mind

in my sight

in my breath

in my life

in my soul

in the air

here and now

for you

thREaD

of

LOVE

hold it

cut it

take it

save it

“Golubović’s performance thus raised issues that all good performances do, such as what is the nature of the exchange between the performer and her/his audience, and why performance art continues to be relevant”. – Jennie Klein
